Sub:- Regarding Uploading of Power outage information in one month advance on JBVNL website.

Ref:- 1. GM (IT), JBVNL UOI No. 61 dated 29.01.2019
2. Letter no. JSERC/ 190/537 dated 24.01.2019.

Sir,

With reference to above subject it is to inform that as per direction of Jharkhand State Electricity Regulatory commission letter no. 190/537 dt. 24.01.2019, maintenance and load shedding of feeder related work has to be notified to the respective consumers one month in advance. In this regard a software for capturing scheduled outages has been already created and link has been given on the main page of JBVNL website (www.jbvnl.co.in) as "Power Outage."

So you are requested to Upload the Power outage status in one month advance on JBVNL website so that consumers may get information in this regard.

Encl:- As above.

Yours Faithfully

(K.K. Verma)
Chief Engineer (S&D)
